BRIEF ABSTRACT OF LETTER.

Solicits instructions as to the limit upto which estimates of well works may be sanctioned by the Presidents from the newly formed Drinking water wells fund and states that that the Govt order of the 26th July 1915 does not specify the limit upto which sanction and may be sanctioned by Presidents

NOTES AND ORDERS.

The Deputy Commrs having already been authorized to sanction estimates upto Rs 1000 if they relate to wells it may be presumed that the Presidents are authorized to sanction estimates from the Drinking water wells fund to the limit of Rs 1000 if the estimates have been scrutinized & countersigned by the Executive Engineer

The reasons for the doubt are not apparent as all works under the newly formed fund are well works (2) When the Dy Commrs can not sanction estimates costing more than Rs 1000 in each case, it may be inferred that the limit to which they can sanction grant-in-aid should not exceed Rs 1000 in any individual case. The total of the grants-in-aid should not exceed the allotment available in the district.

A. Subramanya Iyer, Esquire, B. A.,
President, District Board of Mysore,

To

V. R. Thyagaraj Iyer, Esquire, M. A.,
Sevretary to the Government of His Highness the
Maharaja of Mysore, Revenue Department, Bangalore

Sir,

Adverting to Government Proceedings No. 800-10/L.B. 12-15 -1 dated 26th July 1915 directing the formation of a "Drinking water wells fund" and authorising the Presidents of District Boards to sanction grants-in-aid for well works, I have the honor to state that the said Government Order does not specify the money limit upto which grants-in-aid may be sanctioned by the Presidents of District Boards. According to para 157 of the Revised Local Board Rules, the District Boards are empower-ed to sanction estimates for works "each costing not more than Rs. 500/-". In Government Proceedings No. 6730-41/L. B. 189-14-10 dated 27th February 1915, the Deputy Commissioners were authorised to sanction estimates of well works costing between Rs. 500/- and Rs. 1,000/- after they were duly scrutinized and countersigned by the Executive Engineer. I therefore solicit instructions as to the limit upto which estimates of well works may be sanctioned by the Presidents from the newly formed "Drinking water wells fund".

I have the honor to be,
Sir,
Your most obedient servant,

ASSISTANT COMMISSIONER,
For President, District Board
of Mysore.
